About Our Company

A Brief Story About The Company

ChainTradeFX is an New Zealand based Financial firm with offices in Europe, Canada, USA and Russia. We are a dynamic group whose main focus is to provide our clients with the best possible service.

We diversify portfolio management through trading of different commodities and assets in the capital markets at large, and also we earn through the crypto space through mining of promising Coins.

Vision

"To create a decentralized, secure, and inclusive financial ecosystem that empowers individuals and businesses worldwide by eliminating barriers to financial access and enabling transparent, trustless transactions."

Mission

01

Financial Inclusion:
"To provide accessible financial tools and services to underserved and unbanked populations, empowering them to participate in the global economy through blockchain technology."

02

Security and Trust:
"To ensure the highest level of security and transparency in financial transactions by leveraging decentralized technologies, fostering trust in a borderless digital economy."

03

Innovation and Development:
"To drive innovation in blockchain technology, building scalable and efficient solutions that redefine the way value is transferred and stored globally."

04

User Empowerment:
"To create a user-centric ecosystem that puts control back in the hands of individuals, enabling them to manage their wealth and digital assets with full autonomy and minimal reliance on third parties."
